

who died intestate (without a will or testamentary disposition of shares).
(Attach completed "Questionnaire For Right to Receive ANCSA Stock")

_____ 3) A court decree of separation, divorce, or child support. (Attach copy of Decree).

I understand that whether I am entitled to voting rights relating to the Settlement Common Stock of AKI, Inc., and, in the cases of intervivos transfers (transfers during the lifetime of the person making the transfer), the question whether I am entitled to any transfer of shares is dependant upon whether I am a "Native" or "Descendant of a Native" as defined in the Alaska Native Claim Settlement Act (ANCSA).

I understand that ANCSA defines "Native" as follows:

"Native" means a citizen of the United States who is a person of one-fourth degree or more Alaska Indian (including Tsimshian Indians not enrolled in the Metlaktla Indian Community) Eskimo, or Aleut blood, or combination thereof. The term includes any Native as so defined either or both of whose adoptive parents are not Natives. It also includes, in the absence of proof of a minimum blood quantum, any citizen of the United States who is regarded as an Alaska Native by the Native village or Native group of which he claims to be a member and whose father or mother is (or, if deceased, was) regarded as Native by any village or group. . . .

43 U.S.C. § 1603(b).

I understand ANCSA defines "Descendent of a Native" as follows:

"Descendant of a Native" means --

(1) a lineal descendant of a Native or of an individual who would have been a Native if such individual were alive on December 18, 1971, or

(2) an adoptee of a Native or of a descendant of a Native, whose adoption --

(A) occurred prior to his or her majority, and

(B) is recognized at law or in equity;

43 U.S.C. § 1603(r).

I make this affidavit pursuant to AS13.16.705, and answer the following questions so that AKI may determine whether shares may be transferred and whether the shares will have voting rights.

1. Based on these definitions set out in ANCSA and incorporated by reference in the Articles of Incorporation of AKI, do you claim to be a "Native" or "Descendant of a Native?"
