AKHIOK - KAGUYAK, INC. NEWS

Letter from the Chairman

Happy Autumn,

The village of Akhiok has had a beautiful summer, as I hope everyone else did too. With another school year starting, we encourage everyone that is eligible for AKI's scholarships to check into our program.

Although we've tried several times to bring Paul Gray of "Exploring Alaska" to film in Kaguyak and Akhiok, there have been conflicting schedules and weather has not been cooperative. We still plan to move ahead to develop the "Kaguyak Story" documentary and we will keep you updated on our progress. If you or anyone you know would like to be interviewed for the documentary, please let us know. You can call me directly or the AKI office.

AKI has been in discussions with Kodiak Regional Aquaculture Association (KRAA) and other organizations about the possibility of a salmon enhancement project in the Olga Bay Area. So far it looks very positive. This will be a huge benefit for all who fish the area. It is our hope that this project will also be a learning tool for our youth and provide job opportunities for shareholders who live in Akhiok. We will keep you updated on this project.

Important information about the "Affordable Care Act". There is an exemption to Alaska Natives and American Indians. You have to provide proof of enrollment with a Federally Recognized Tribe, ANCSA shareholder status or IHS beneficiary status. In order to receive the exemption, you must apply at: www.healthcare.gov. If you live in surrounding area of Anchorage and have questions or need further assistance you should contact ANTHC (Alaska Native Tribal Health Consortium). If you live on Kodiak Island and have questions or need further assistance you can contact J.J. Marsh at Kodiak Area Native Association.

AKI Board of Directors will be meeting in Anchorage to have their quarterly meetings. Also, AFN will be held in Fairbanks this year, safe travels to all who decide to attend the convention. Wishing everyone a safe and Happy Holiday season!

Quyannaasinaq,
Thank you very much,
Phyllis Amodo

Letter from the President

Dear Friends,

I would like to encourage all of you to take the time to complete and send in your talent bank forms. I am currently in negotiations with our contractors and subcontractors on the possible hire of our shareholders in certain areas of expertise and having the talent bank forms to review would be helpful in locating shareholders who qualify. We are also working to have job announcements available on the website.

Furthermore, we are working toward holding shareholder software trainings in one of AKI's properties for shareholders who can benefit by a training in word, excel, etc. There will be a notice posted on the website and shareholders can sign up for trainings and request other types of computer software trainings. Once we have everything in place and we are ready to start, we will make that announcement so keep this in mind for future reference.

I am also excited to announce that AKI will have its own web store by mid-October. Shareholders, staff and our Business Associates will have an opportunity to order shirts, caps, jackets and more, with the company logo from this web store. You can access the web store through the AKI website at www.aki-kodiak.com. Our friends at Alaska Textiles are developing this web store for us and we are grateful to them for their help.

The AKI cabins will be available for rental next year. We are in the process of updating our business plan for AKI lands. We are working to have the reservation system on the AKI website as well. Shareholders will have an opportunity to rent one of AKI's cabins, during the summer months.

Interviews are planned for this month for the Kaguyak Story. We appreciate those shareholders who are willing to be interviewed for this documentary. It's very important that this story be told and this is the perfect time with the 50th Anniversary approaching. This event had a huge impact on both the Kaguyak and the Akhiok tribes. I am so excited to be a witness to the development of this documentary and I hope that all of you are just as excited about it.

AKI will be putting guidelines in place for the newsletter articles. We want all shareholders to be happy with and enjoy reading our newsletters and be proud of their corporation. We received a few complaints about what was published after the annual meeting and we certainly do not want the shareholders newsletter to become a battleground for people to vent. That being said, I'd like to encourage shareholders who wish to share any life events to please send in their articles...we love to hear about the newborns, weddings, and graduations.

Warmest Regards,
Becky Peratrovich
President

WELCOME!

Akhiok-Kaguyak would like to welcome the following new shareholders:

Raymond Naumoff, Geraldine Kotongan, Tatiana Yakanak, and Amanda Miles. We are proud to welcome you as new AKI shareholders!

Coming SOON!

New AKI Website – Alaska Textiles has graciously offered to build a web store specifically for AKI and we are grateful to them for their work. The web store should be up and running by mid-October if not sooner so please keep checking the AKI website for this wonderful new addition to our website.

Alutiiq Language - John Yakanak

Shareholder John Yakanak will be teaching the Alutiiq Language at the APU campus every Saturday from 12 noon to 2:00 p.m. during October. The class is located in the Carr-Gottstein Building, in room 201. Board member Fred Coyle and his wife Irene Coyle will be two of the fluent Alutiiq speakers at these events. This is exciting news and we would like to encourage shareholders to participate and show support to their fellow shareholders, if at all possible. This class is open to the public and welcomes everyone to come learn the language.

Irene Coyle

While learning the Cyrillic Alphabet with Daria (Walter Simeonoff's Wife), Irene Coyle viewed the baptism records at the Russian Orthodox Archives in Kodiak. They were able to trace records back to the 1700's. However, most of the records cannot be deciphered because of last name changes thru the 1900's.

New York Life Burial Insurance

AKI is encouraging all shareholders who have not yet applied for the New York Life insurance policy to do so as soon as possible. Only those shareholders who did not previously apply should request an application. Once a shareholder has applied, regardless of whether they are approved or denied, their beneficiary is eligible for the \$10,000 burial assistance. However, if a shareholder simply does not apply, their beneficiary will only be eligible for \$5,000 in assistance. Benefits are paid to the beneficiary upon receipt of a certified death certificate. If you wish to apply for New York Life insurance, please call Chris Fejes Sr. at his New York Life office at (907) 348-6070.

Do You Have A Current Will On File?

If you do not have a current will on file with the Corporation, we encourage you to contact the AKI office at 888-258-0337 or 907-258-0604 to request a form or you can go to the AKI website www.AKI-Kodiak.com for the Will Form. This will ensure your shares are transferred to the individuals of your choice.

Elder Shares

This is just a reminder; Elders shares are distributed when an Alaska Native shareholder turns 65 years of age. The shares that they own at the age of 65 is the number of elder shares that are matched, up to 100 shares. Example: When you turn 65 and you have 22 shares you would receive 22 elder shares. If you have 150 shares, you would receive 100 elder shares. The elder shares reflect the shares owned up to 100. We know this can be confusing at times and if you have any questions please give us a call at the office.

Direct Deposit and Change of Address

AKI encourages shareholders to take advantage of direct deposit, for future distributions. It is important to keep your address current with AKI even if your checks are direct deposited. Payment receipts are mailed. If you have changed your address or phone number please put in a change of address form or contact the office. These forms are available on the website www.AKI-Kodiak.com for your convenience.
