Our Shareholders Come First

Message from the President

Greetings Shareholders,

I am very happy to be back with AKI as Interim President. I've been busy reviewing and re-familiarizing myself with AKI's lands, operations, policies and investments. I look forward to working with the Board of Directors, staff and associates over the next several months. I am equally anxious to see my many friends from Akhiok. I can hardly believe it's been 7 years ago that I served as your President/CEO. Time definitely goes by quickly. It is my hope that the years have brought good health and happiness to all of AKI's shareholders.

I would like to acknowledge Shawyn Callahan, who is the Administrative Clerk for AKI. She has been with the company since September 26, 2011. Many of you know her from the Annual Shareholder Meeting and may have spoken with her over the phone as she answers most routine shareholder relations inquiries. Amongst her many Administrative duties Shawyn also performs the day-to-day data entry and bookkeeping functions, including accounts receivable and accounts payable. AKI is very fortunate to have such a good worker with a wide variety of skills on staff.

Best Regards,
Becky Peratrovich
