<b>College Student Scholarship</b>
------------------------------------

---

The *College Student Scholarship* Program (CSS) scholarship is only one of the main functions of the Higher Education department. Akhiok-Kaguyak, Inc. is administering the Higher Education Program for the current school year. Applications are available beginning in January for the annual selection process.

**Goals:**

To provide the support services necessary to:

- 1) assure AKI shareholders receive the post-secondary education to which they aspire;
- 2) to increase the number of educational opportunities; to facilitate student career goals; and
- 3) encourage all qualified AKI shareholders to seek higher standards of education.

**Program Description:**

The College Student Scholarship provides financial aid to Akhiok-Kaguyak, Inc. shareholders, who are attending or plan to attend an accredited college or university in the pursuit of education degree programs, specifically post-secondary education.

Students planning to attend part-time; full-time, or Distant Education and Independent Learning Courses are eligible for CSS awards.

## Grade Point Average (GPA):

Students must maintain the following grade point average (GPAs):

**Academic:** 2.00 GPA or Equivalent Scores/Reports. A GPA below 2.00 will result in probation (see page 3).

**Basic and Vocational:** 2.00 GPA or Equivalent Scores/Reports (same as above except 2.0 GPA).

**GED:** For the purpose of determining Grade Point Averages, a General Education Diploma (GED) equals a 2.00 GPA, unless the student submits information to show otherwise.

## Probation:

If a student's GPA falls below the minimums stated for any funding period, the student will be placed on probation.

**Continued Probation:** If the GPA increases the following semester, although still below the minimum stated above, the student may continue on probation for an additional term.

**Funding Cancelled:** Funding will be cancelled for any student who fails to maintain the established minimum GPA at the end of two consecutive terms.

**Regaining Good Standing:** After funding is cancelled, to be eligible for a future AKI scholarship/grant, the student must successfully complete a semester without financial aid from AKI.

## Forfeiture of Awards:

A student's scholarship will be forfeited if the student's transcript or school approved progress report are not sent to Akhiok-Kaguyak, Inc. by the fourth (4<sup>th</sup>) week of the next term, or midway through the term if it is shorter than eight (8) weeks (see "Recipient Responsibilities").

## Award Limits:

1. The scholarship award is based on the amount of credit hours enrolled for the school year, that is, undergraduates enrolled in and complete a minimum of twelve (12) credit hours with a 2.0 GPA or better each term (24 credit hours per school year) will receive the full scholarship of up to \$6,000. If you attend part-time and enroll in six (6) credit hours with a 2.0 GPA or better each term, you can receive up to \$3,000 per school year. Graduates must enroll in and complete a minimum of nine (9) credit hours with a 2.0 GPA or better each term to receive the full scholarship for the school year. The award is divided by the number of semesters/quarters the applicant is attending school.
2. Applicants fill out one application per year and check all of the semesters/quarters they are attending.
3. AKI Scholarships are used for registration, tuition, and books.
4. All scholarship disbursements after the first disbursement are based on successful completion of the preceding term (see "Grade Point Average (GPA)" and "Forfeiture of Awards" above). Recipients of scholarships/grants must mail to the Corporation transcripts or progress reports at the end of each term. **NO second term checks will be issued until transcripts are received by the Corporation and maintenance of minimum GPAs is verified.**
5. To provide up to five years funding.

**Number and Amount of Awards:**

The number and amount of scholarships awarded each year is dependent upon the number of eligible applicants; quality of the applications and the availability of funds.

**AKI Responsibilities:**

Checks are issued by the Corporation about 5 business days after the application is completed.

Second and subsequent term checks are issued as each student sends in a transcript, up until mid-term. (see "Forfeiture of Award"). Checks will be addressed to the school name and mailed to the address of the Financial Aid Office as stated on your application, referenced with your student ID number.
